FINANCIAL POLICIES

Piano Lesson Tuition

Tuition is **payable in equal monthly installments.**

- ▶ The tuition remains the same each month, regardless of the number of lessons attended.
- ▶ There is no refund for missed lessons. However, due to inevitable conflicts, one free bonus lesson has been built into each semester.

Tuition is collected by **automatic payments on the 3rd of each month.**

- ▶ Tuition is collected through CoinHop.
- ▶ Five days before each payment is due, you will receive an invoice reminding you the payment will soon process. If at any time you need to change your payment method, a link is provided in the invoice.

Setting up automatic payments on Coinhop is **prerequisite** to the student beginning lessons.

- ▶ **New Students:** When the student’s registration is processed, the parent/guardian is sent an invitation to set up auto-pay, either through a bank account or a credit card. This must be completed before the student attends his first lesson.
- ▶ **Returning Students:** The parent/guardian authorizes reactivation of payments through Coinhop by his signature on the registration form.

There is a **\$25 late fee**, if auto-payment is interrupted and payment is not made by the 3rd of the month.

- ▶ If a payment cannot process due to insufficient funds, the account will be fined any bank charges incurred by the studio in addition to the late fee.
- ▶ If the bill is not made current by the 20th of that month, lessons will be suspended until all tuition and fees have been paid. If an account becomes 6 weeks past due, the student’s enrollment in the studio will be cancelled.

Registration Fee

The **non-refundable** registration fee, due with the student’s yearly registration form, reserves his place in the studio. It covers the following costs:

- ▶ student books & materials
- ▶ use of the studio lab (including applicable lab subscriptions)
- ▶ participation in all required studio activities, including festivals & recitals

The registration fee is payable by check or money order to Troutner Piano Studio.
